

Reimbursement of Medicare Part B Premiums – IBEW Retirees

The New York Power Authority provides a Medicare Part B premium reimbursement for eligible UWUA retirees. NYPA will reimburse you up to \$100.00 per month, or \$125.00 per month for those retired after 4/1/2022, for your Medicare Part B standard premium.

To be eligible for a reimbursement each retiree must be enrolled in Medicare Part B and not be eligible for reimbursement from another employer. The reimbursement is not automatic if you are eligible for Medicare due to a disability. You must notify HR Services in writing and send a copy of your Medicare card to begin the reimbursement in this case. If the retiree elects to waive NYPA Retiree Medical coverage, they are not eligible for this benefit.

After each Plan Year, NYPA will determine who is eligible for a Medicare Part B reimbursement and will automatically process the reimbursement. Medicare Part B reimbursement checks will be sent to your mailing address of record by the end of February following the end of the Plan Year.
